# A STORY OF LOVE AND TERROIR...

It is in the foothills of the Alsatian vineyards, where the wine route starts, that the WineMaster story begins. Our attachment to the terroir and our love of wine have always been the source of our thought process and creativity.

Since its inception in 1984, the skills and know-how of the men and women of WineMaster have been at the heart of every step in the air conditioner manufacturing process.

Quality and detail are what motivate us, and we are proud of our products and their 100% Alsatian design.

“ INNOVATION AND EXCELLENCE ARE WINEMASTER'S KEY VALUES. ”
